

**GOVERNMENT MEDICAL COLLEGE & ASSOCIATED HOSPITALS**  
**SRINAGAR.**

**CIRCULAR**

It has been observed that the HOD's/Medical Superintendents of GMC and its associated hospitals are often forwarding applications of doctors who were working as Demonstrators/Registrars in different departments for retaining them against the post of Medical Officers in different departments on completion of their Demonstratorship and Registrarship. This office have no powers to retain the doctors in GMC and its Associated Hospitals against the posts of Medical Officers and has already rejected many cases of this nature.

In the backdrop of above circumstances it is enjoined upon all HOD's/Medical Superintendents of GMC and its Associated hospitals not to endorse or recommend such type of cases to this office in future. The circular instructions are issued for strict compliance by all the concerned.
